Merely said, the 2011 Harley 103 Engine is universally compatible considering any devices to read.

Causes and Remedies for Starting Issues - ThunderMax

Harley upgraded all production models to the SE compensator in 2011 and up because of failing compensators. Engines 2006 and prior had little problem (smaller engines) with a different compensator. We recommend this upgrade as a "preventative" upgrade if nothing else. It provides better starting, smoother acceleration and better crankshaft life (We have updated â
