JOURNAL, Heinrich Boll the celebrated novelist becomes Heinrich Boll the relatively obscure traveler, touring Ireland in the mid-1950s with his wife and children. While time may stand still in Irish pubs, Boll does not, and his descriptions of his various travels throughout Ireland are as vivid and compelling today as they were over 40 years ago.

Heinrich Böll Werke Heinrich Boll 19??

Heinrich Böll James H. Reid 1988 This is the first in-depth study of the complete work of Heinrich Bll, one of the best known writers of postwar Germany. Bll became passionately involved in the political upheavals and debates

of his time, and all the major issues are reflected in his writings. His works were invariably provocative and were critically received in both academic and non-academic circles. Abroad he had the solid reputation of the "good German" who unambiguously condemned fascism and the less appealing features of the land of the Economic Miracle. In 1972 he was awarded the Nobel Prize for Literature, the first German to be so honoured since Thomas Mann in 1929, and his books sell by the millions. This study not only places Bll's writings in the context of contemporary political, social and literary developments but, at the same time, can be read as a lively history of the federal Republic.

The Collected Stories of Heinrich Boll Heinrich

Boll 2011-12-27 The definitive short story collection by the Nobel Laureate and master of the form. These diverse, psychologically rich, and morally profound stories explore the consequences of war on individuals and on an entire culture. The Collected Stories of Heinrich Böll provides readers with the only comprehensive collection by this master of the short-story form. Includes all the stories from Böll's *The Mad Dog*, *Eighteen Short Stories*, *The Casualty*, and *The Stories of Heinrich Böll*. A Nobel Laureate, Böll was considered a master 20th century literature, and *The Collected Stories of Heinrich Böll* contains some of his finest work.

Heinrich Boll Werke

The Clown Heinrich Böll 1972 The face of a clown is the face of innocence, and innocence goes to the wall in German society after the Second World War, when double-dealing and double standards became a way of life. Heinrich Boll's clown is a professional entertainer in his late twenties who has reached the end of his tether; an unhappy drunk abandoned by the woman he loves, too honest and disillusioned to compromise, he sits in his lonely furnished flat and calls for help or consolation of any kind. For this is a study in hypocrisy - emotional, sexual, religious and political - where the majority are smugly blinkered and the rest are caught in a trap they fail to understand, let alone escape.

From the Greeks to the Greens Reinhold Grimm
1989 Ranging from Hellenistic pastoral to the contemporary counterculture activities of the "Greens," the essays in this volume underscore the complexity of simplicity. Whether the simple life is located in a culture's past or in its future, in a secluded corner or beyond society's boundaries, it remains a fascinating subject for discussion.

Heinrich Böll and Ireland Gisela Holfter
2011-07-12 Nobel Prize winning author Heinrich Böll's *Irishes Tagebuch* (Irish Journal) which was first published in 1957, has been read by millions of German readers and has had an unsurpassed impact on the German image of Ireland. But there is much more to Heinrich Böll's relationship with Ireland than the *Irishes Tagebuch*. In this new book, Böll scholar Gisela Holfter carefully charts Heinrich Böll's personal and literary connections with Ireland and Irish literature from his reading Irish fairytales in early childhood, to establishing a second home

on Achill Island and his and his wife Annemarie's translations of numerous books by Irish authors such as Brendan Behan, J. M. Synge, G. B. Shaw, Flann O'Brien and Tomás O'Crohan. This book also examines the response in Ireland to Böll's works, notably the controversy that ensued following the broadcast of his film *Irland und seine Kinder* (Children of Eire) in the 1960s. *Heinrich Böll and Ireland* offers new insights for students, academics and the general reader alike.
