Branded Alissa Quart 2008-12-17 Generation Y has grown up in an age of the brand, bombarded by name products. In **Branded**, Alissa Quart illuminates the unsettling new reality of marketing to teenagers, as well as the quieter but no less worrisome forms of teen branding: the teen consultants who work for corporations in exchange for product; the girls obsessed with cosmetic surgery who will do anything to look like women on TV; and those teens simply obsessed with admission into a name-brand college. We also meet the pockets of kids attempting to turn the tables on the cocksure corporations that so cynically strive to manipulate them. Chilling, thought-provoking, even darkly amusing, **Branded** brings one of the most disturbing and least talked about results of contemporary business and culture to the fore-and ensures that we will never look at today's youth the same way again.

The Tapping Solution for Teenage Girls Christine Wheeler 2016-05-10 Dealing with grades, bullying, friendships, parents, crushes . . . it's enough to make any teenage girl wish she could snap her fingers and make it all go away. The good news is, you almost can--except it's not "snapping" but "tapping"! Formally known as Emotional Freedom Techniques (EFT), this revolutionary practice can help you reduce your feelings of anxiety and overwhelm, boost your confidence, and unpack the "stress backpack" you may not even know you're carrying.In **The Tapping Solution for Teenage Girls**, expert EFT practitioner Christine Wheeler explains the basics of the technique (it actually involves tapping, with your fingers, on energy points on your own body, and you can do it anywhere, anytime). Then she gives you simple yet powerful instructions for tapping on common challenges such as:• Schoolwork, tests, grades, and planning for college• Appearance and body image• Dating, breakups, and dealing with sexual feelings• Divorce, siblings, and blended familiesThroughout the book, comments from 16-year-old Cassidy, the author's teen consultant, keep it real with helpful perspectives on how this tapping thing works--and it does work! In these pages, you'll discover that a super effective tool for dealing with stress is literally at your fingertips. If you're ready to be true to yourself, stop freaking out, and keep being awesome, **The Tapping Solution for Teenage Girls** is the perfect solution for you!

My Life As a Teenage Vampire Hunter ID Johnson 2018-08-11 Sometimes following your dreams isn't all it's cracked up to be... When I decided I'd stop at nothing to become a Vampire Hunter, even though my older sister and her teammates knew I wasn't ready, I got myself into trouble--a whole lot of trouble. Now, I'll never be exactly what I wanted to be--and I'll never be the same as I was before either. There's a dangerous Vampire on the loose, and I know I'm the only one who can stop him from continuing to prey on the innocent. But since I've already broken my sister's trust, how can I prove to her that I'm more than just her little sister? I'm a weapon. We both know there's no one else in the world like me, but I'll have to show her I can follow her orders before she'll let me move forward with my plan. And that's a problem. Because we also both know following directions is no longer my strong suit. Will I be able to stick to my training long enough to demonstrate my value or will the Vampire continue his destruction? My name is Cassidy Findley, and this is my life as a teenage Vampire Hunter. The Chronicles of Cassidy is a retelling of The Clandestine Saga specifically for young adult/teen readers told from the perspective of high schooler Cassidy Findley. *Dictionary of the Teenage Revolution and Its Aftermath* Kenneth Hudson 1983-06-18

The Gun Book for Girls Silvio Calabi 2013-09-16 This third installment in the popular series of practical books about guns and shooting is aimed at women of all ages--the fastest-growing segment of the sport--and it couldn't come at a better time. America and firearms literally grew up together, but today guns are often simply linked to crime and violence; gun control has become a polarizing political issue; and misinformation about firearms is spreading. Now three experts have tackled the subject in a series of books that explores the realities of guns and shooting and sets the record straight about some common misconceptions. On the heels of *The Gun Book for Boys* and *The Gun Book for Parents*, *The Gun Book for Girls* is for girls (and women) interested in guns and shooting but who have little or no background in firearms. Through example and anecdote, the book emphasizes safety and proper usage, and it defines terms and provides hands-on advice about using and maintaining guns. It also covers firearms, shooting methods, clothing and accessories for women, profiles females who shoot and who work in the gun trade, and discusses the issues around guns for self-defense (a topic of special interest to women). Like the other two titles, this book is non-political and written in an easy-to-understand conversational tone. Each book is thoroughly illustrated, and content is presented in easily managed portions that can be read in series or singly, all backed up with an index.

In the Company of Sherlock Holmes Leslie S. Klinger 2014-11-24 In the follow-up to the nationally bestselling *A Study in Sherlock*, a stunning new volume of original stories from award-winning Sherlockians Laurie R. King and Leslie S. Klinger. The Sherlock Holmes stories by Sir Arthur Conan Doyle were recently voted as the top mystery series of all time, and they have enthralled generations of readers--and writers! Now, Laurie R. King, author of the New York Times-bestselling *Mary Russell* series (in which Holmes plays a co-starring role), and Leslie S. Klinger, editor of the New Annotated *Sherlock Holmes*, have assembled a stellar group of contemporary authors from a variety of genres and asked them to create new stories inspired by that canon. Readers will find Holmes in times and places previously unimagined, as well as characters who have themselves been affected by the tales of Sherlock Holmes. The resulting volume is an absolute delight for Holmes fans both new and old, with contributions from Michael Connelly, Jeffery Deaver, Michael Dirda, Harlan Ellison, Denise Hamilton, Nancy Holder, John Lescroart, Sara Paretsky, Michael Sims, and more. The game is afoot--again!

Women as Weapons of War Kelly Oliver 2007 From the female soldiers of Abu Ghraib prison to Palestinian women suicide bombers, women and their bodies have been "powerful weapons" in the Afghanistan and Iraq wars. Kelly Oliver reveals how the media and the George W. Bush administration used metaphors of weaponry to describe women and female sexuality and forge a link between vulnerability and violence. Oliver analyzes the discourse surrounding women, sex, and gender and the use of women to justify America's decision to go to war. She also considers the cultural meaning, or lack of meaning, that lead female soldiers at Abu Ghraib to abuse prisoners "just for fun," and the commitment to death made by women suicide bombers. She examines the pleasure taken in violence and the passion for death and what kind of contexts creates them. Oliver concludes with a diagnosis of our fascination with sex, violence, and death and its relationship with live news coverage and embedded reporting, which naturalizes horrific events and stymies critical reflection.

My Teenage Werewolf Lauren Kessler 2010-08-05 A veteran journalist navigates the mother-daughter relationship at its most crucial moment with the eye of a reporter, the curiosity of an anthropologist, and the open (and sometimes wounded) heart of a mother, award-winning author Lauren Kessler embeds herself in her about-to-be-teenage daughter's life. In seventh- and eighth-grade classrooms, at home, online, at the mall, and at summer camp, Kessler observes, investigates, chronicles- and participates in-the life of a twenty-first-century teen. As she begins to better understand and appreciate her mercurial daughter, their relationship-at first a mirror of the author's difficult relationship with her own mother--lurches in new directions. With the help of a resident teen expert (her daughter), as well as teachers, doctors, therapists, and other mothers, Kessler illuminates the age-old struggle from both sides, gracefully interweaving personal experience with journalistic inquiry. Funny, poignant, and insightful, *My Teenage Werewolf* explores the fascinating and scary world of today's teen as it comes to grips with the single most important relationship in a woman's life.

Come Fly the World Julia Cooke 2021-04-08 ** Chosen as a May 2021 pick for The Fearless Book Club by Nobel Peace Prize-Winner, Malala Yousafzai! ** Travel writer Julia Cooke's exhilarating portrait of Pan Am stewardesses in the Mad Men era. Glamour, danger, liberation: in the Jet Age, Pan Am offered young women the world. Come Fly the World tells the story of the stewardesses who served on the iconic Pan American Airways between 1966 and 1975 – and of the unseen diplomatic role they played on the world stage. Alongside the glamour was real danger, as they flew soldiers to and from Vietnam and staffed Operation Babylift – the dramatic evacuation of 2,000 children during the fall of Saigon. Cooke's storytelling weaves together the true stories of women like Lynne Totten, a science major who decided life in a lab was not for her, to Hazel Bowie, one of the relatively few African American stewardesses of the era, as they embraced the liberation of a jet-set life. In the process, Cooke shows how the sexualized coffee-tea-or-me stereotype was at odds with the importance of what they did, and with the freedom, power and sisterhood they achieved.

Gork, the Teenage Dragon Gabe Hudson 2017-07-11 A TODAY Show Summer Pick An Amazon Summer Beach Reads Pick A Barnes & Noble Best New Fiction of the Month Pick "Hilarious. . . . Gork is less Game of Thrones and more The Hitchhiker's Guide to the Galaxy." –Rolling Stone "Delightful. . . . Gork satirically plumbs some of the same supervillain territory that forms the basis of recent films like *Despicable Me*." –Paul Di Filippo, the Barnes & Noble Review "No good human won't love this dragon named Gork." –Dave Eggers "Outrageous storytelling and soulful humor in the tradition of Kurt Vonnegut." –Gary Shteyngart Gork isn't like the other dragons at WarWings Military Academy. He has a gigantic heart, two-inch horns, and an occasional problem with fainting. His nickname is Weak Sauce and his Will to Power ranking is Snacklicious--the lowest in his class. But he is determined not to let any of this hold him back as he embarks on the most important mission of his life: tonight, on the eve of his high school graduation, he must ask a female dragon to be his queen. If she says yes, they'll go off to conquer a foreign planet together. If she says no, Gork becomes a slave. Vying with Jocks, Nerds, Mutants, and Multi-Dimensioners to find his mate, Gork encounters an unforgettable cast of friends and foes, including Dr. Terrible, the mad scientist; Fribby, a robot dragon obsessed with death; and Metheldra, a healer specializing in acupuncture with swords. But finally it is Gork's biggest perceived weakness, his huge heart, that will guide him through his epic quest and help him reach his ultimate destination: planet Earth. A love story, a fantasy, and a coming-of-age story, Gork the Teenage Dragon is a wildly comic, beautifully imagined, and deeply heartfelt debut novel that shows us just how human a dragon can be.

From Vision to Victory Melissa Hudson 2006 Every teen can be as successful as they want to be now--as a teenager--if they will simply take the time to learn and apply the steps and principles needed. Melissa shares these steps and principles while encouraging you through personal example to make the most of your potential. I expect her to skyrocket to the top... I'm elated to call her my young friend and protege. - Mark Victor Hansen, Co-author and creator of the Chicken Soup for the Soul series ..."one of the most phenomenal and outstanding teenage people I've ever met in my life... I recommend all of her materials and presentations highly..." - John Childers, Wealth Academy, www.JohnChilders.com "I only have one word to share with you about Melissa Hudson--Superb. Melissa has the business sense and acumen of people who are two, even three times her age... I consider her my secret weapon for greater personal wealth." - Alex Mandossian, Co-founder of Access to Leaders, www.AccessToLeaders.com

Teenage Hipster in the Modern World Mark Jacobson 2007-12-01 "Nothing less than a riveting snapshot of life in the 'modern world,' particularly New York." --Booklist Mark Jacobson has published pieces in *Rolling Stone*, the *Village Voice*, *Esquire*, and more. His journalistic beats range far and wide, delving into the realms of politics, sports, and celebrities in pieces on such luminaries as Bob Dylan, Julius Erving, Chuck Berry, Pam Grier (in her *Scream Blacula Scream* days), Martin Scorsese, and many others. But for Jacobson, New York City has always been topic number one. Jacobson tells the story of the city in these classic essays covering three decades--from the beginnings of punk rock back in the times of "pre-gentrification" to the heart-wrenching days of 9/11. "A brilliant collection by one of our most valuable journalists." --Pete Hamill Includes a foreword by Richard Price **The Knight of Ambra** Lyn Brittan 2015-04-14 Army vet Brant Jacobs is determined not to screw up his first assignment with Team Ambra. Sneak in, retrieve a stolen historical treasure and disappear. Easy...until a woman in yoga pants stumbles upon his less than legal exchange of goods. She attracts too much trouble to be left on her own, but bringing her along might put his mission -- and his heart -- in the greatest danger of all. Michaela Alberto only took the stupid delivery job out of necessity. How the crap she wound up here - between the barrel of a mobster's gun and some super secret government agent - is beyond unfair. Now they're on the run and Brant promises her safety, but trusting the handsome stranger might be the hardest job she's ever had.
