For a limited time get all five books bundled in one collection! A compelling saga about a very eccentric billionaire. Series Note: The billionaire genre is enduringly popular despite ignoring the reality that most wealth is inherited not earned. M. Malone breathes life into a familiar trope by asking an intriguing question - what happens when wealth is inherited by a group of rough and tumble, blue-collar guys? And is it possible

to have it all without losing your soul? TANK Tank Marshall swore off fighting years ago but everything in his life lately is out of control. His mom's cancer is back and the deadbeat dad he hasn't seen in years is offering an inheritance in exchange for redemption. So he prowls the streets at night, looking for an outlet for the rage. There's only one person that keeps him anchored in the midst of the chaos. One person untouched by violence and money and lies. Emma Shaw. But the one thing that Tank hasn't learned yet is that when billions are at stake, there's no such thing as innocent. Because the only woman he trusts is the last woman he should. Money. Changes. Everything. FINN Finn Marshall survived several tours in Afghanistan before the billionaire father he barely remembers changed everything. Now he has it all: money, cars and most importantly: power. Power to track down the woman who left him for a richer man. Marissa Blake dragged herself out of poverty one client at a time, so she's thrilled

when her company, Maid-4-U, gets a huge contract for a luxury penthouse. Until she sees who owns it. Now to save her struggling business, Finn demands everything she once promised him. Money can't buy him happiness but it can buy him one thing: REVENGE GABE Gabe Marshall is tall, charming and a successful businessman. He's also a skilled con artist. Now that he's heir to the billionaire father he never knew, everyone gives him what he wants. Except Sasha Whitman. After Sasha is humiliated on national television, she seeks solace in her plans to open a jazz lounge. But she's not a businesswoman and no one has time to help her except the last man she would ever trust. Before long Gabe is matching wits with the one woman who can see through his game. And finding out that all the money in the world can't protect you when the sins of the father pass to the son. ZACK Zack Marshall may look like a thug but underneath he's all about family. His brother, Gabe, is the popular one but he's never envied

anything he has. Except for Josephine Harlow. From now on Josie Harlow is living life full throttle. First task: find a nude model for her next photo series. Next up: getting rid of her pesky V-card. No more trying to gain her family's approval. They all think she's in love with her high school boyfriend. Instead she dreams of his brother, tattooed, Mohawked mechanic Zachary Marshall. He annoys her and they fight constantly but worst of all, he only sees her as "Gabe's girl". Until Zack makes the most shocking offer of all, to be the model for her show. And the first man in her bed. LUKE Child prodigy Lucas Marshall has written everything from security software to video games. There's only one hacker alive who is better than he is. His online buddy C7pher. Now that he's the heir to a billionaire, he wants his friend to help him build coding schools for underprivileged kids around the country. He isn't prepared for his best friend, his only friend, to say NO. Or for him to drop out of his life

completely. Then he's asked to consult on a hacking case for the FBI and the hauntingly beautiful suspect seems to know a lot about Luke. Things he's only told one other person... When the only person you've ever trusted is a liar, everything is fair game.

Lie Next to Me Sandi Lynn 2014 From New York Times, USA Today & Wall Street Journal Bestselling Author...A USA Today Bestselling NovelThe pain was unbearable, but I had to keep moving. I had to keep running because, if I didn't, he'd find me. I looked behind me as I ran through the streets; scared, alone, and in the dark as the mist of rain hit my face. There was no time to think, and there was no time to stop. My shoes were soaked as they sloshed through the puddles of the dimly lit streets. My name is Rory Sinclair, and the night I was violently attacked was the night that changed my life forever. One man, a man named Ian Braxton, made it his mission to heal me, to save me, and to show me a world that previously had been

only a dream to me. Ian Braxton is far from perfect. He's a self-absorbed, demeaning, arrogant, and womanizing millionaire. He makes it so easy to hate him, but so very hard to resist him. We're from opposite sides of the spectrum. He comes from money and I come from poverty. When our worlds collide, his struggles become mine, and mine become his, leaving us with one question: How much would you give up to be with someone who was meant to be yours?

Millionaire Upgrade Richard Parkes Cordock 2006-07-06 Inspired by the true story of a flight with Sir Richard Branson, Millionaire Upgrade blows the lid off the accepted belief that successful entrepreneurs are a breed apart, possessing some special magic. Through the combined wisdom of interviews with 50 self-

made millionaire entrepreneurs, this book takes you on your own personal master class in success, as experienced through the eyes of Tom, a frustrated employee who is upgraded on a long haul flight, and finds himself sitting next to self-made millionaire Michael. During the flight Michael shares the science and secrets behind his own success. Better than any in-flight movie, Millionaire Upgrade gets you inside the minds of successful entrepreneurs and self-made millionaires giving you the inside track on how they think and act. Praise for Millionaire Upgrade: "It took me a long time to learn this stuff—I wish I'd been on that plane 30 years ago!" —Simon Woodroffe - YO! Sushi & Dragons Den "The principles of success apply equally whether you are an aspiring entrepreneur, chief executive of a large plc or simply looking for inspiration for your own personal life. Here's where you start, by reading this book." —Allan Leighton - Chairman, Royal Mail "If you want a toolkit to help you become a

successful entrepreneur, read this book. Then put it into practice." —Duncan Bannatyne - Bannatyne Leisure & DragonsDen "Everything in business is a learning experience. I should know! You won't regret it." —Rachel Elnaugh - Red Letter Days and Dragons'Den "It is refreshing to find a book that describes the key difference between the entrepreneur and the rest - attitude. The rules of success are timeless and simply explained so you can apply them in your own business or personal life." —BJ

Cunningham - Founder of Death Cigarettes "In Millionaire MBA, Richard decoded entrepreneurs and unpicked their millionaire mindset. With Millionaire Upgrade, he has put it all back together again through IBELIEVE and a compelling story. Very clever and a must read for any budding entrepreneur!" —Rene Carayol - Leadership Guru "It takes a certain mindset to succeed in creating your own business. This book spells out how you need to think and act to succeed - whether you are an entrepreneur or a professional manager. It's a great read too." —Matthew Barrett - Chairman, Barclays Bank
Dirty Money: Roughneck Billionaires 1
Jessica Clare 2017-01-17 Southern Texas heats up when four roughneck billionaires set their sights on love, beginning with Dirty Money. Fans of J.S. Scott, Louise Bay and Melody Anne - prepare to be dazzled by Jessica Clare's Roughneck Billionaires. Boone Price and his brothers know oil; at least, the dirty, backbreaking side of working an oil rig. But

when their scrubby, worthless hunting land turns out to be sitting on top of one of the biggest oil wells in North America, they go from the rig to the boardroom and end up billionaires practically overnight. Now with enough money to do whatever he wants, Boone is developing a taste for fine things. And the finest thing he's ever seen is Ivy Smithfield, local realtor. Boone's determined to buy her affection and show the world that he's more than just a dirty fool with a bit of money. Ivy's classy and beautiful - she'll make the perfect trophy wife. The fact that she's sexy and funny is just a bonus. There's one tiny problem - Ivy's as dirt poor as Boone is. Her carefully crafted veneer of luxury? All an act to promote her business. What's Boone going to do when he finds out the woman he's falling for is, well, in his league? Want more irresistible romance? Look for Jessica's rest of Billionaire Boys Club titles, starting with Stranded With A Billionaire, as well as the sizzling spinoff series, Billionaires and Bridesmaids, starting with The

Bad Billionaires Box Set Michelle Love
2020-12-01 Six steamy reads to tempt your senses! Bad Billionaires Box Set is a complete series collection of Full-length novels steaming with an international cast of beautiful people, stunning locations, dark storylines, and hot, hot sensual romance! All novels and bonus content have no cliff hanger with no cheating and a guaranteed happy ever after! Dirty Little Virgin - A Submissives' Secrets 1 School is in session, and the lessons are rock hard! She wants to write about the domme and my world. And I'm supposed to teach her, not take her. But her feisty manner begs to be tamed. Her innocence begs to be taken. I know my whip can bring her into submission. Her young body begs for my harsh and experienced touch. Doctor's Demands - A Submissives' Secrets 2 The Doctor's arrived... And his treatment is sizzling! She's a young college student, set on a scrupulous career as a school teacher. I'm a doctor with a checkered

past. Binge drinking on weekends, sleeping with women I care nothing for, and seeking summers with women I rent, has been my life. Until I saw her face on the club's website. The Dungeon of Decorum may have found her, but I'd take her as my own. Fighting men who wanted to use her in ways I found distasteful, I finally won her.

Savage SEAL's Virgin - A Submissives' Secrets 3 Dangerous missions, death-defying escapes, and mortal combats are child's play compared to taking a virgin ... Dark nights, strange forest creatures, ropes, cuffs, paddles, and a whip should've been more than enough to tame one little virgin. Blyss wasn't your typical virgin! I'd won her in a bidding war. She was pure as the driven snow. Every Dom wanted her. It was me who was supposed to rule her, but she stole my heart before I knew what was happening. Every part of her was virgin territory, yearning to be explored. She was primal, and I took her that way. Filthy Commitments - A Submissives' Secrets 4 It was never supposed to be real. Like

they say, never say never... The last thing I wanted was to get serious, hence the need for a sub I could also use as my fake wife. From the moment I laid eyes on her, the attraction was instantaneous. I should've known that could only mean trouble. Her body succumbed to mine so easily. The rapture of taking her to heights she'd never known, exhilarating. Vengeful Seduction - A Submissives' Secrets 5 She stole what was rightfully mine, now I'm going to get it back... Kaye seems innocent, sweet, kind, nurturing. But she has to be hiding a dark side. A side of her that took my grandfather's affection had him leaving her all of his money. That money belongs to me. And only to me. She has no right to it. And I will do what I have to, to get it back. How easy it is for me to seduce her into believing I love her, care for her, want to marry her. For Love & Torture - A Submissives' Secrets 6 Darkness clings to my soul, so why does she allow herself to love me... I'm damaged beyond repair, but still she gives me longing looks and

loving words. I've tortured her body and mind, why does she still claim to have love for me? I thought I would be okay without her. I thought I would be able to live my life working right next to the woman and never give in to her love.

There Will Be Lies Nick Lake 2015-01-01 Shelby Jane Cooper is seventeen, pretty and quiet. So safe she doesn't go to school. Because anything could happen, to a girl like Shelby. Anything. When Shelby gets knocked down by a car, it's not just her leg that's broken: Shelby's world is shattered. Her mom turns up to collect her and drives off into the night, like it's the beginning of a road trip, like two criminals on the run, like Thelma and Louise or Bonnie and Clyde. And somehow, everywhere she looks, there's a coyote watching her, talking to her, telling her not to believe. Who is Shelby Jane Cooper? If the person who keeps you safe also tells you lies,

who can you trust?
