IMÁGENES, Third Edition, takes a functional,
integrated skills approach specifically designed to

help students develop receptive and productive skills simultaneously that are critical in learning Spanish. When using IMÁGENES students acquire communicative skills while gaining an awareness of Hispanic cultures. The program's practical, relevant themes, lively practice, and engaging technology components get learners communicating early and confidently. The exciting new third edition will contain a greater focus on the cultures of Spanish-speaking countries and have two new video blogs in each chapter to provide input of chapter functions and vocabulary. IMÁGENES will keep students motivated as they

learn and explore the many cultures of Spanish-speaking world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Syntax Workbook Andrew Carnie 2012-06-21
The Syntax Workbook was written as a response to the students and instructors who, over the

years, have requested more problem sets that give greater experience in analyzing syntactic structure. Aligned chapter-by-chapter with Carnie's bestselling textbook, this workbook provides over 120 new exercises on all of the major topics in generative syntax. An all-new workbook to accompany the bestselling syntax textbook, *Syntax: A Generative Introduction*, which answers the need for a practical text in this field. Features over 120 problem sets with answers, designed to give students greater experience of analyzing syntactic structure. Exercises and topics covered

includes phrase structure, the lexicon, Case theory, ellipsis, auxiliaries, movement, covert movement, locality conditions, VP shells, and control. Supported by expanded online site "[Carnie Student Companion Site](http://bcs.wiley.com/he-bcs/Books?action=index&itemId=0470655313&bcsId=7378)" and instructor resources, including extra chapters on HPSG, LFG and time-saving materials for lecturers, including problem sets, PowerPoint slides, and an instructors' manual. Structured to reflect the style and chapter-by-chapter coverage of the textbook, but its practical, reader-

friendly layout also makes it suitable for use as a stand-alone Workbook
