The White House Christmas Mystery Teacher's Guide Carole Marsh

2003-10-01 Companion teacher's guide to The White House Christmas Mystery.

The Oxford Guide to the United States Government John J. Patrick

2001-07-04 The Oxford Guide to the United States Government is the ultimate resource for authoritative information on the U.S. Presidency, Congress, and Supreme Court. Compiled by three top scholars, its pages brim with the key figures, events, and structures that have animated U.S. government for more than 200 years. In addition to coverage of the 2000 Presidential race and election, this Guide features biographies of all the

Presidents, Vice Presidents, and Supreme Court Justices, as well as notable members of Congress, including current leadership; historical commentary on past elections, major Presidential decisions, international and domestic programs, and the key advisors and agencies of the executive branch; in-depth analysis of Congressional leadership and committees, agencies and staff, and historic legislation; and detailed discussions of 100 landmark Supreme Court cases and the major issues facing the Court today. In addition to entries that define legal terms and phrases and others that elaborate on the wide array of government traditions, this invaluable book includes extensive back matter, including tables of Presidential election results; lists of Presidents, Vice Presidents, Congresses, and Supreme Court Justices with dates of service; lists of Presidential museums, libraries, and historic sites; relevant websites; and information on visiting the White House, the Capitol, and Supreme Court buildings. A one-stop, comprehensive guide that will assist students, educators, and anyone curious about the inner workings of government, The Oxford Guide to the United States Government will be a valued addition to any home library.

The Story of America John Arthur Garraty 1994

1865 TO THE PRESENT A UNITED STATES HISTORY FOR HIGH SCHOOLS 1865

Guide to the White House Staff Shirley Anne Warshaw 2013-03-27 Guide to the White House Staff is an insightful new work examining the evolution and current role of the White House staff. It provides a study of executive-legislative relations, organizational behavior, policy making, and White House-cabinet relations. The work also makes an important contribution to the study of public administration for researchers seeking to understand the inner workings of the White House. In eight thematically arranged chapters, Guide to the White House Staff: Reviews the early members of the White House staff and details the need, statutory authorization, and funding for staff expansion. Addresses the creation of the Executive Office of the President (EOP) and a formal White House staff in 1939. Explores the statutes, executive orders, and succession of reorganization plans that shaped and refined the EOP. Traces the evolution of White House staff from FDR to Obama and the specialization of staff across policy and

political units. Explores how presidential transitions have operated since Eisenhower created the position of chief of staff. Explains the expansion of presidential in-house policymaking structures, beginning with national security and continuing with economic and domestic policy. Covers the exodus of staff and the roles remaining staff played during the second terms of presidents. Examines the post-White House careers of staff.

Guide to the White House Staff also provides easily accessible biographies of key White House staff members who served the presidencies of Richard M. Nixon through George W. Bush. This valuable new reference will find a home in collections supporting research on the American presidency, public policy, and public administration.

Picking Presidents Gautam Mukunda 2022 "This book synthesizes a new way of understanding leader selection with research from political science, management, psychology, and other fields, to provide an objective, non-partisan way to evaluate Presidential candidates that anyone can use and that requires only information about candidates that would be widely available before the election. It's a system that American citizens can use to answer the most important question they are ever asked: Should this person be President? We begin by identifying what sort of presidential candidates are likely to become Presidents who will make a real difference. Surprisingly, not all Presidents do. Some, despite the awesome power placed in their hands, are surprisingly inconsequential. Then, we'll examine some of the best and worst of the 44 members of history's most exclusive club, which will help us understand what traits are likely to produce failed and successful presidencies, and how to detect them. Next, we'll use this lens to examine Donald Trump, the modern president who has perhaps inflamed the most intense passions on either end of the political spectrum, and Joe Biden, the President as this book goes to print. Finally, I will suggest some plausible reforms to the way we nominate candidates and changes to the powers of the Presidency that might help us improve the quality and performance of future presidents"--

Harry S. Truman and the Modern American Presidency Robert H. Ferrell 1983 A concise analytical biography of Truman emphasizes his accomplishments as an administrator and foreign policy shaper and his consequent contributions to our concept of the presidency

Supplement to the Messages and Papers of the Presidents United States. President 1925

The Smart Aleck's Guide to American History Adam Selzer 2009-12-22 Do you know America? No, I mean, do you REALLY know America? Would you recognize John Adams in a lineup? Can you identify any presidents between Lincoln and Roosevelt? Hmm. I thought so. Well, you really need this book. Not only will it improve your sorry historical knowledge, it will crack you up, and give you material to throw your teachers off-balance for entire class periods. Identify their lies! Point out their half-truths! And possibly, just possibly, gain some extra credit for yourself.

Cyclopaedia Bibliographica James Darling 1854

Greatness in the White House Robert K. Murray 1988 A narrative account of the survey of almost 1,000 professional historians on what constitutes a successful performance in the presidency, this survey tells us almost as much about the thinking and biases of historians as it does about the nature of the American presidency. Besides comparing past presidential polls and constructing a ranking list of the nation's chief executives, this study examines why historians rate presidents the way they do, and it analyzes those qualities and traits historians look for in a successful president. It also delimits what constitutes a failing performance in the White House and marks the major pitfalls that almost assuredly lead to an adverse historical verdict. In the process, the study demonstrates that there is not always a close correlation between what historians say a president should do and what historians obviously feel when actually ranking the performances of the presidents of the United States. This study should prove enlightening not only to the historical profession but to the general public, political pundits, newscasters, public officials, and all presidential aspirants, and even to past and present occupants of the White House and their staffs.

Journal of the House of Representatives of the United States United States. Congress. House 1962 Some vols. include supplemental journals of "such proceedings of the sessions, as, during the time they were depending, were ordered to be kept secret, and respecting which the injunction of secrecy was afterwards taken off by the order of the House."

One Flag, One Land: Teacher planning guide Richard Carl Brown 1988 A textbook chronicling the birth and growth of the United States through the 1980's.

The President Did What? Nancy Ragno 2014-08-19 Go Behind the Scenes at the White House to Uncover Intriguing (Sometimes Startling) Facts About the U.S. Presidents -- Facts Few Others Know Not just another book about the presidents! THE PRESIDENT DID WHAT? is structured as a trivia quiz (multiple choice) to make it interactive and keep you guessing. But that's not all. Turn the page to check your answer. Each answer page is fully illustrated and provides additional information about the president in question. (Every president is covered, from George Washington to Barack Obama.) Plus, there's a complete list of the presidents and their vice-presidents for easy reference. THE PRESIDENT DID WHAT? is really two books in one: (1) an entertaining quiz book of surprising, sometimes quirky, facts about the U.S. presidents; and (2) an illustrated, informative guide that helps you gain an insight into what each president was like, his personality, and why he deserves to be remembered (or not). No more drawing a blank at the mention of such presidents as Franklin Pierce, Millard Fillmore, or Benjamin Harrison. Thanks to THE PRESIDENT DID WHAT? you'll know details about even the "forgotten presidents," details history buffs may be unaware of. For example, see the sample questions below. What president . . . ? worked as a model in college and was on the cover of "Cosmopolitan"? invented "Baked Alaska" and "Chicken a la King"? made all his own suits and a suit for the governor of Kentucky?

was so cheap he served White House guests ice water in paper cups? allowed his son's two pet alligators to roam loose in the White House? □□□ Who should read this book? U.S. history buffs ... trivia buffs ... students ... teachers ... those looking for a fun, informative read, and those who enjoy an intellectual challenge. Is this book suitable for children? Yes, for those in the middle grades and higher. As one teacher commented: "This book of presidential trivia was fun to read and would make an excellent addition to a history teacher's bookshelf or to an elementary teacher's supplemental material." □□□ What's more . . . THE PRESIDENT DID WHAT? is a great party book. It's a rich source of cocktail-party openers. It's an ideal book for the coffee table ... bedroom ... bathroom. It's the perfect book to take on a trip. And ... it makes a great gift!

The Harding Era Robert K. Murray 1969

A GUIDE TO AUTHENTICATING U.S. PRESIDENTIAL AUTOGRAPHS Dr. Joel 2019-05-31 A guide to authenticating autographs of the American Presidents: paper, ink, forgeries, and signature examples

Choral Masterworks: A Listener's Guide Michael Steinberg 2005-04-22 Michael Steinberg's highly successful listener's guides--The Symphony and The Concerto--have been universally praised for their blend of captivating biography, crystal clear musical analysis, and delightful humor. Now Steinberg follows these two greatly admired volumes with *Choral Masterworks: A Listener's Guide*, the only such guide available to this most popular of musical forms. Here are more than fifty illuminating essays on the classic choral masterworks, ranging from Handel's *Messiah*, Bach's *Mass in B Minor*, and Beethoven's *Missa Solemnis*, to works by Haydn, Brahms, Mendelssohn, and many others. Steinberg spans the entire history of classical music, from such giants of the Romantic era as Verdi and Berlioz, to leading modern composers such as Elgar, Rachmaninoff, Vaughan Williams, and Stravinsky, to contemporary masters such as John Adams and Charles Wuorinen. For each piece, Steinberg includes a fascinating biographical account of the work's genesis, often spiced with wonderful asides, such as the true story of Mozart's *Requiem*--Salieri had nothing to do with the composition of it, nor did he poison Mozart, who most likely died of rheumatic fever. The author also includes an astute musical analysis of each piece, one that casual music lovers can easily appreciate and that musicians and more serious fans will find invaluable. The book also includes basic information such as the various movements of the work, the organization of the chorus and orchestra, and brief historical notes on early performances. More than twenty million Americans perform regularly in choirs or choruses. *Choral Masterworks* will appeal not only to concert goers and CD collectors, but also to this vast multitude of choral performers, an especially engaged and active community.

Guide to the Presidency and the Executive Branch Michael Nelson 2012-08-13 This comprehensive two-volume guide is the definitive source

for researchers seeking an understanding of those who have occupied the White House and on the institution of the U.S. presidency. Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure, powers, and operations of the office and the president's relationship with Congress and the Supreme Court. The fifth edition of this acclaimed reference completes coverage of the George W. Bush presidency, the 2008 election, and the first 3 years of the presidency of Barack Obama. This includes coverage of their handling of the economic crisis, wars abroad, and Obama's healthcare initiatives. The work is divided into eight distinct subject areas covering every aspect of the U.S. presidency, and all chapters in each subject area have been revised and updated: Origins and Development of the Presidency, including constitutional beginnings, history of the presidency and vice presidency, and presidential ratings Selection and Removal of the President, including the electoral process, a chronology of presidential elections, removal of the president and vice president, and succession Powers of the Presidency, including the unilateral powers of the presidency and those as chief of state, chief administrator, legislative leader, commander in chief, and chief economist The President, the Public, and the Parties, including presidential appearances, the president and political parties, the president and the news media, the presidency and pop culture, public support and opinion, and the president and interest groups The Presidency and the Executive Branch, including the White House Office, the Office of the Vice President, supporting organizations, the cabinet and executive departments, presidential commissions, and executive branch housing, pay, and perquisites Chief Executive and Federal Government, including the president and Congress, the president and the Supreme Court, and the president and the bureaucracy Presidents, their Families, and Life in the White House and Beyond, including the daily life of the president, the first lady, the first family, friends of presidents, and life after the presidency Biographies of the Presidents, Vice Presidents, First Ladies This new volume also features more than 200 textboxes, tables, and figures. Major revisions cover the supporting White House organizations and the president's role as chief economist. Additional reference materials include explanatory headnotes, as well as hundreds of photographs with detailed captions.

Guide to the Presidency Michael Nelson 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U.S. political system. Its two volumes describe the history, workings and people involved in this office from Washington to Clinton. The thirty-seven chapters of the Guide, arranged into seven distinct subject areas (ranging from the origins of the office to the powers of the presidency to selection and removal) cover every aspect of the presidency. Initially dealing with the constitutional evolution of the presidency and its development, the book goes on to expand on the history of the office, how the presidency operates alongside the numerous departments and agents of the federal bureaucracy, and how the selection procedure works in ordinary and special circumstances. Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day, and the detailed overview of the vice-presidents and first ladies of each particular office. Also included are two special appendices, one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address, and another which provides results from elections and polls and statistics from each office.

The Politically Incorrect Guide to the Presidents Steven F. Hayward 2012-02-13 Larry Schweikart, a retired history professor, is ready to set the record straight on the American presidents. He goes through each of the first 26 presidents from Washington to Taft and debunks myths, lies, and fake news made fact by the uninformed. Discover why George Washington favored American isolationism; James Madison supported states' rights; what Lincoln promised to Southerners about fugitive slaves; and why nineteenth-century presidents were the last to understand the

true role of government. So what made these presidents so much better than the ones America has now? Schweikart argues that recent commanders-in-chief have welcomed crises to advance their own partisan agenda, defied the separation of powers the Founders carefully constructed to preserve the Republic, and given us every reason to doubt they take the country's interests to heart.

School Life 1937

Real Life at the White House John Whitcomb 2000 This well written and substantial book offers an unusual approach to the history of the American

presidency by concentrating on the office's place of residence. Beginning with the building of the White House and continuing, president by president, John Whitcomb (he teaches American history, we're not told where) and his daughter Claire (a staff writer for *House and Garden* among other magazines) give us the details of the daily life of America's first families, continuing each chapter beyond Washington to tell how each president finished his days. Annotation copyrighted by Book News Inc., Portland, OR
