The Favor Megan Hart 2019-08-11 From New York Times bestselling author Megan Hart comes an emotionally charged novel that explores the secrets and lies that can destroy a family...forever. Home isn’t always the place you go because they have to take you in. Sometimes, home’s the place you can’t escape, no matter how far or fast you run. Janelle Decker hasn’t been home in a long, long time. She ran away years ago, barely in front of the tragedy that rocked the small town of St. Mary’s, Pennsylvania. Only one other person knows the part Janelle played in what happened back then. One man who took the blame for himself. Gabe Tierney stayed behind to face the terrible consequences of the accident that left one younger brother permanently disabled and the other doing whatever he can to avoid them all. When Janelle returns with her twelve-year-old son to get her life in order and take care of her dying Nan, it should be easy for her and Gabe to rekindle their former friendship - except that Gabe can’t forgive Janelle for abandoning him, and Janelle can’t reconcile her part in what happened back then. There is no moving forward until you stop yourself from looking back, but will Janelle and Gabe be able to face their lives ahead? Or will their secrets and the lies they told keep them prisoners of their shared past? “A tense look at dark secrets and the redemptive power of truth.” - Kirkus Reviews

Stranger Megan Hart 2019-08-12 I pay strangers to sleep with me. I have my reasons...but they’re not the ones you’d expect. For starters, I’m a funeral director taking over my dad’s business. Not exactly the kind of person you’d expect to fork over cash for the intimacy and urgency only skin-to-skin contact can create. Looking at me, you wouldn’t have a clue I carry this little secret so close it creases up like the folds of a fan. Tight. Personal. Ready to unravel in the heat of the moment. Unsurprisingly, my line of work brings me face-to-face with loss. So I decided long ago that paying for sex would be one of the best (and most arousing) ways to save myself from the one thing that would eventually cut far too deep. But Sam was a mistake. Literally. I signed on to “pick up” a stranger at a bar, but took Sam home instead. And now that I’ve felt his heat, his sweat and everything else, can I really go back to impersonal? Let’s just hope he never finds out about my other life.... Originally published in 2009
