Master Police Officer Arnold retired in March of 2011 from the Prince William County Police Department after serving over twenty-seven years. He is a founding member of his department's Motor Squad that was created in 1987 and he remained there until his 2011 retirement. This program was divided into five categories of riding proficiency that proved to develop a rider's incentive to set goals to achieve greater riding skills... Shortly after attending a Virginia Instructor Development course in 1990 and successfully completing his RADAR Instructor certification through the Virginia Commonwealth University, he developed a speed enforcement training program that he managed and retained the Lead Instructor role until his retirement. His program evolved over the years and is considered an industry leading training program throughout the nation. His efforts lead to the successful statewide expansion of this speed measuring equipment that resulted in legislation authorizing the use statewide. He provided instruction to hundreds of law enforcement students in the operation of emergency vehicles and police motorcycles.
