Its virtually what you habit currently. This Vedanta Voice Of Freedom Swami Vivekananda, as one of the most involved sellers here will extremely be in the middle of the best options to review.

Recovering the Body Carol Collier 2013-06-08 A philosophical history of the body and a work of recovery, bringing to light many aspects of this history that have been lost or forgotten in the West after the Scientific Revolution. *'Charaiveti' (Vivekananda's Dialogue on People, Politics & Space)* Dr Subhashis Banerjee 2020-08-19 Vivekananda had travelled within India as a 'parivrajaka' (the travelling monk) from 1888 to 1893 and in May 1893 crossed the 'kalapani' (crossing the inland water boundary) to represent India in the Parliament of World's Religion held in Chicago. This incident led to many more travels within India and the West. He was a traveller who left his impressions, views and observations in the form of letters, diaries and memoirs. A close study of such documents, as well as secondary materials, leads to questions of imperialism, identity, self-other dichotomy, comparative religion, women and acculturation.

Manifesting Inherent Perfection A Vedanta Kesari Presentation 2021-12-02 This book, a collection of 50 writings, attempts to discuss the various aspects of education 'in its widest sense' and the 'inside' of education which is man-making. This book presents the Indian worldview of divinity of man and unity of existence. Compiled from the archives of The Vedanta Kesari, these writings deal with various aspects of education, particularly the key ideas of Yoga and Vedanta which are of great value to all educationists and students. 'As long as I live, so long do I learn,' said Sri Ramakrishna. This handy volume on education draws our attention to this fact through articles, stories and personal accounts of monks, teachers, students, scholars and commoners. *Ramakrishna: Mein Meister* Swami Vivekananda 2020-10-27 Sri Ramakrishna (1836-1886) war der berühmteste indische Heilige im 19. Jahrhundert. Er lehrte die Gleichwertigkeit und Harmonie aller Religionen, hatte oft Ekstasen und Visionen und war ein Verehrer der Göttlichen Mutter Kali. Sein engster Schüler Swami Vivekananda brachte nach seinem Tod seine Botschaft in den Westen. Dieses Büchlein, das 1901 erschienen ist, enthält einen Vortrag, den Swami Vivekananda in New York über seinen Meister gehalten hat. Es bietet eine Gesamtschau der außergewöhnlichen Persönlichkeit Ramakrishnas im kulturellen und spirituellen Kontext seiner Zeit und ist somit eine ideale Einführung für alle, die sich mit diesem Heiligen näher befassen oder auch nur einen ersten Einblick nehmen wollen. Angefügt ist außerdem ein Artikel über Ramakrishna von Protap Chunder Mazoomdar, der 1897 im Theistic Quartely Review erschienen ist.

Faith to Faith Dan Scott 2008 An author, pastor, and counselor reveals the attraction of other religious traditions, equipping Christians with effective tools to reflect the glory of God to those who seek Him. Original.

Multidimensional Personality of Swami Vivekananda Dr.Bonani Sinha 2021-03-16

Pathways to Joy Dave DeLuca 2010-09-07 At the 1893 Parliament of Religions in Chicago, Swami Vivekananda transformed Western thinking. He showed that, far from being an exotic novelty, Hinduism is an important, legitimate spiritual tradition with valuable lessons for the West. Pathways to Joy is a selection of 108 of his sacred teachings on Vedanta philosophy. In accessible and powerful prose, Vivekananda illuminates the four classical yoga paths — karma, bhakti, raja, and jnana — for the different natures of humankind. The messages focus on the oneness of existence; the divinity of the soul; the truth in all religions; and unifying with the Divine within. Invaluable and inspiring, the selections also explore karma, maya, rebirth, and other great

revelations of Hinduism.

The Huston Smith Reader Huston Smith 2012-03-26 For more than sixty years, Huston Smith has not only written and taught about the world's religions, he has lived them. This Reader presents a rich selection of Smith's writings, covering six decades of inquiry and exploration, and ranging from scholarship to memoir. Over his long academic career, Smith's tireless enthusiasm for religious ideas has offered readers both in and outside the academy a fresh understanding of what religion is and what makes it meaningful. The Huston Smith Reader offers a comprehensive guide to understanding religion and spirituality as well as a memorable record of Huston Smith's lifelong endeavor to enrich the inner lives of his fellow humans.

Life is... Liberation from Ignorance and Finding true Enlightenment AiR 2020-05-22 What is life all about? Are we meant to just live and die? Is there a larger purpose or deeper meaning to life? Life is Liberation from Ignorance and Finding true Enlightenment is an interesting dialogue between a seeker and his Guru that can help you on your own spiritual quest towards liberation, freedom from all misery and suffering; the realization of the Truth and God-realization.

Life Space Management P S Siwach 2014-09-30 Life Space Management is a book that throws up a new concept of enhancing individual & organisational effectiveness by managing the parameters of Life Space, a word coined by Kurt Lewin. Our entire effectiveness in life depends on how well we create space with others in the environment. All of us intrinsically yet unknowingly practice the art of creating the right space, whenever we interact with others. Our entire relationship blooms and grows or diminishes based on the quantum of life space we create with them. The author has researched on this new subject and put across his views to help the reader evolve and grow more effective in life.

Struggles for Peace and Justice Karl-Julius Reubke 2020-06-16 This work by Karl-Julius Reubke embodies labours of experience and reflection spanning almost 20 years. It is rich with many kinds of detail but above all Reubke's work accomplishes something the late German philosopher Hans-Georg Gadamer called a Horizontverschmelzung, a merging of horizons in service of an act of understanding. Reubke, a German himself, a former chemist, a follower of Rudolph Steiner, a self-taught Sanskrit scholar and translator of ancient texts, sympathetically merges those horizons with an equally complex set of horizons arising from India: the post-colonial search for a coherent tradition in one of the oldest civilizations, the emergence of early modern spiritual and nationalist thinking, the complex challenges posed by Gandhi's ethico-spiritual vision, and then finally, from the contemporary India driven and riven by the forces of globalization, the horizon of a civil/social movement inspired by Gandhi and Vinobha, namely Ekta Parishad. Reubke describes this movement, inspired and led by PV Rajagopal from the inside with a personal touch and a uncannily reflective eye. All of this is an accomplishment of some note and worthy of our attention especially as we now turn to confront how we as people of the planet will face the ecological disaster our way of living has created. This too is a task of "comprehension" which Hannah Arendt described as the work of "the unpremeditated facing up to, and resisting of, reality—whatever it may be." - Paul Schwartzentruber, Independent Scholar and Activist, Halifax, Canada If you wish to know what Satyagraha is all about, read this candid, reflective account of the struggle for freedom and

justice Gandhi and his contemporaries waged during the twentieth century and P V Rajagopal and Ekta Parishad have been engaged in during the 21st. Extremely timely and morally challenging. - Manoranjan Mohanty, Former Professor of Political Science, University of Delhi, New Delhi, India This book is invaluable in challenging us to develop nonviolent mass movements addressing the needs of those who are oppressed and suffering the most, the impoverished, the exploited, those thrown off their lands, adivasis, women, and why such movements are necessary for greater peace and justice. - Douglas Allen, Professor of Philosophy, The University of Maine, USA This brilliant book, the first major scholarly study of Ekta Parishad, demonstrates how rights-based mass mobilisations in contemporary India adapt Gandhian ideas in their struggle for justice and in negotiating state politics and policies, with grit and compassion. - Arnab Roy Chowdhury, Assistant Professor, Higher School of Economics (HSE), Moscow, Russian Federation This impressive volume addresses the topic, which is possibly the most important of our time: global solidarity. And it does so from the perspective of the global South, drawing especially on Gandhi and Ekta Parishad. The result is a very unique combination of scholarship and vision for the future that is a must-read for all students of India and Indian thought but also for those looking for inspiration in the times of global crisis and the return of nationalisms and fascisms. - Boike Rehbein, Professor, Humbolt University, Berlin, Germany In a world in deep need of global solidarity as we enter an era challenged with the Covid-19 pandemic, global economic devastation, the continuing epidemic of racism, and with an existential climate crisis, Ekta Parishad shines a bright new light for humanity and our human challenges. This book and this organization confront these challenges boldly and head-on. Jai Jagat!! - David Blake Willis, Professor, Fielding Graduate University, USA

Vivekananda Swami Nikhilananda 2004 Vivekananda ist der berühmteste Schüler des großen Mystikers und Weisen Ramakrishna. Es gelang ihm, eine Brücke von Ost nach West, zwischen den Religionen und Völkern zu schlagen. Sein messerscharfer Verstand, seine außergewöhnliche Denk- und Konzentrationskraft, seine geniale mystische Schau, seine unermüdliche Tatkraft und Menschenliebe und sein gerechter Zorn angesichts der versklavten Massen setzten den heutigen sozialen Strukturwandel in Indien in Bewegung und brachten dem westlichen Menschen neue Impulse zur eigenen geistigen Höherentwicklung. Auf der spirituellen Grundlage des Advaita-Vedanta, der Einheit allen Seins legt er uns als besonders wichtige Form der Gottesverehrung den Dienst am Menschen ans Herz: "Mag ich wieder und wieder geboren werden und tausendfaches Elend erleiden, wenn ich nur den einzigen Gott verehren darf, der existiert, den einzigen Gott, an den ich glaube: die Gesamtsumme aller Seelen." Vivekananda zeigt uns unsere eigene Göttlichkeit und die Methoden, wie wir sie in jedem Augenblick unseres Lebens zum Ausdruck bringen können. Seine Worte lassen die Poesie des göttlichen Einen erklingen und sind, wie Romain Rolland schrieb, "Melodien im Stil Beethovens, erregende Rhythmen in Händels Musik".

Values and Influence of Religion in Public Administration L. Shanthakumari Sunder 2011-01-11 Values and Influence of Religion in Public Administration is a study of the influence of religion on the values and ethics of the 'steel frame of India'—the Indian Civil Service (ICS) and its successor, the Indian Administrative Service (IAS). Examining pertinent subjects like the historical origins of IAS, colonial ethics, codes of conduct and Hindu ethics, the book presents a socio-religious analysis of corruption in India. The book deals primarily with the issue of administrative corruption in the IAS, the premier civil service of India, and also in the Indian society, of which the IAS is an integral component. It is the result of a thorough survey and in-depth interviews of serving IAS officers of the Karnataka cadre. The book is an effort by the author to unearth the causes of the systemic affliction and find out its roots, which might originate in the nation's culture and its constituents, namely, religion, traditions and history.

Encyclopedia of New Religious Movements Peter Clarke 2004-03-01 New Religious Movements (NRMs) can involve vast numbers of followers and in many cases are radically changing the way people understand and practice religion and spirituality. Moreover, many are having a profound impact on

the form and content of mainstream religion. The Encyclopedia of New Religious Movements provides uniquely global coverage of the phenomenon, with entries on over three-hundred movement from almost every country in the world. Coverage includes movements that derive from the major religions of the world and to neo-traditional movements, movements often overlooked in the study of NRMs. In addition to the coverage of particular movements there are also entries on topics, themes, key thinkers and key ideas, for example the New Age Movement, Neo-Paganism, New Religion and gender, NRMs and cyberspace, NRMs and the law, the Anti-Cult Movement, Swedenborg, Jung, Teilhard de Chardin, Lovelock, Gurdjieff, al-Banna, Qutb. The marked global approach and comprehensiveness of the encyclopedia enable an appreciation of the innovative energy of NRMs, of their extraordinary diversity, and the often surprising ways in which they can propagate geographically. The most ambitious publication of its sort, the Encyclopedia of New Religious Movements is a major addition to the reference literature for students and researchers of the field in religious studies and the social sciences. Entries are cross-referenced with short bibliographies for further reading. There is a full index.

Schleiermacher on Christian Consciousness of God's Work in History Abraham Varghese Kunnuthara 2008-01-01 This work is a fresh, unusually lucid approach to Christian theology and interfaith dialogue from India. Its basic aim is to examine the Christian consciousness of God's work in history--redemption history within the entire history of the world. It uses Christian Faith by Friedrich Schleiermacher (1768-1834) as its main text, so as to view this theme in a reversed order from the way it is presented there. This approach, which centers on God's new creation in Christ, leads to an incisive understanding of Christianity's relation to other modes of faith. Throughout, Dr. Kunnuthara compares the thought of another Indian Christian leader steeped in Hindu thought, Pandippedi Chenchiah (1886-1959), to enable renewed interfaith dialogue across a wide spectrum.

Appeal and Attitude Steven G. Smith 2005-11-16 In Appeal and Attitude, Steven G. Smith offers a multicultural view into issues at the heart of existentialism, hermeneutics, and the phenomenology of religion. By looking closely at the concepts of appeal, or what commands our attention, and attitude, or the quality of the attention we pay, Smith probes into the core of religious ideals to answer questions such as why faith and rationality are compelling and how religious experience becomes meaningful. Smith turns to philosophical and religious texts from Eastern and Western religious and philosophical traditions including Kant, Hegel, Heidegger, Levinas, Derrida, Confucius, and the Bhagavad-Gita. He also engages everyday objects such as stones, birds, boats, and minnows to arrive at normative definitions of supreme appeal and sovereign attitude. This book provides readers at all levels with a thoughtful and widely comparative window into idealism, community, responsibility, piety, faith, and love.

Vivekananda Reader Swami Vivekananda 2016-05-16 This book published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India is a representative compilation of Swami Vivekananda's teachings from the Complete Works of Swami Vivekananda covering the wide spectrum of his teachings. We hope the present volume gives the reader an idea of the vastness of Swami Vivekananda's mind and also inspires the reader to realize the divine within through knowledge, devotion, mind-control and service to fellow beings.

Being Hindu Hindol Sengupta 2017-10-13 Winner of the 2018 Wilbur Award There are more than one billion Hindus in the world, but for those who don't practice the faith, very little seems to be understood about it. Followers have not only built and sustained the world's largest democracy but have also sustained one of the greatest philosophical streams in the world for more than three thousand years. So, what makes a Hindu? Why is so little heard from the real practitioners of the everyday faith? Why does information never go beyond clichés? Being Hindu is a practitioner's guide that takes the reader on a journey to very simply understand what the Hindu message is, where it stands in the clash of civilizations between Islam and Christianity, and why the Hindu way could yet be the path for plurality and progress in the twenty-first century.

Saving Humanity: Swami Vivekanand Perspective

Ethics or Moral Philosophy Guttorm Fløistad 2013-12-11 This volume examines a variety of philosophical approaches that seek to formulate practical guidelines or norms for human actions and behavior in different areas of society, including politics, cultural traditions, the environment, business management, architecture, and medicine. Written by a team of international authors, this volume features thirteen surveys. It begins with an exploration of ethics in politics and cultural traditions. From genocide to the unequal distribution of wealth, it examines many of the harms that currently affect societies throughout the world and considers a way that those in politics can follow to provide better care for all their populations. Next, the book looks at the relation between ethics and cultural traditions. It features a paper that examines the tension that often exists between the past and the present, with a special focus on the history of India. This volume also considers the idea of a universal system of ethics, presents a practical approach to value-based management in private and public organizations, and examines ethics in medicine. In addition, this volume includes coverage of a new type of ethics called Eco-ethica, proposed by the Japanese philosopher Tomonobu Imamichi, which seeks to answer the question of how men and women can “live better” or “live together with each other” in a systematized, technological age.

Paradise Lost and the Divine Comedy Hitesh Parmar 2002

Vedanta Swami Vivekananda 1990-01-01

Swami Vivekananda in India Rajagopal Chattopadhyaya 1999 Swami Vivekananda in india: A Corrective Biography attempts to inform the reader accurately about his life both before and after his historic visits to the West. Much material has been translated anew from original Bengali books. At the same time it challenges current popular and pious notions held about this humanitarian-monk. The four major chapters in this book are about his meetings with Sri Ramakrishna, his travels in India during 1886-1893, media waves about him in India, and his triumphant return from the West in 1897. Analysis of original eyewitness reports in both India and Western newspapers and periodicals forms an integral part of this biography.

In Search of Truth and Salvation CA. R C Guria 2022-07-11 This book attempts to highlight the truth of life which many of us do not know. Many of us consider our present existence to be the truth of life. But according to scholars, philosophers and researchers, our present momentary persona is only a bubble on the ocean of our eternal existence. Almost all ancient philosophies and modern science have established that each of us is immortal, because soul we possess exists forever. This book explains with reference to philosophical thoughts and scientific research studies that death we know applies to the physical body only, but not to the soul. The soul is infinite and omnipresent. So, after every death soul enters into a new body in its long journey towards Salvation. This book has also refers to philosophical explanation that the Supreme Soul or the Brahman is only the Real; all other else are not real. Precisely, the Real Man is one one and each of us is only a limitation of the Real Man. It's all God's play.

Integral Development Alexander Schieffer 2016-05-23 Alexander Schieffer and Ronnie Lessem introduce a groundbreaking development framework and process to address the most burning issues that humanity faces. While conventional top-down, outside-in development has reached a cul-de-sac, a new, integral form of development is emerging around the world. Integral Development uniquely articulates this emergent approach, and invites us to fully participate in this process. The integral approach has been researched and framed over decades of in-depth experience in transformative development education and practice all over the world. It uniquely combines four mutually reinforcing perspectives: nature and community; culture and spirituality; science, systems and technology; and enterprise and economics. Conventional development theory and practice has prioritized the latter two perspectives, neglecting the former two. This has caused massive imbalances in today's world. The four interconnected perspectives allow for a transformative and integrated engagement with core development issues in a way that is locally relevant and globally resonant. Throughout, the practical impact of Integral Development is brought to life through highly innovative cases from around the globe, drawing on the authors' first-hand experience.

This makes the book a living demonstration of the power of this pioneering approach. Integral Development shows how individual, organizational and societal developments need to be interconnected to release a society's full potential. It shifts the responsibility for large-scale development from often-distant experts and organizations to each individual, community, enterprise and institution within the society. It is essential reading - and a call to action - for everyone concerned with the current state of local and global development.

Yoga Journal 2003-07 For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. With every issue, Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds. We are dedicated to providing in-depth, thoughtful editorial on topics such as yoga, food, nutrition, fitness, wellness, travel, and fashion and beauty.

Prepared to Answer Rob van de Weghe 2008

Research Methodology Peter Pruzan 2016-02-22 This book is an in-depth guide to effective scientific research. Ranging from the philosophical to the practical, it explains at the outset what science can – and can't – achieve, and discusses its relationship to mathematics and laws. The author then pays extensive attention to the scientific method, including experimental design, verification, uncertainty and statistics. A major aim of the book is to help young scientists reflect upon the deeper aims of their work and make the best use of their talents in contributing to progress. To this end, it also includes sections on planning research, on presenting one's findings in writing, as well as on ethics and the responsibilities of scientists.

VEDANTA OF VIVEKANANDA: Studies and Experiments Arunabha Banerjee 2020-08-30 One question that has been bothering mankind since time immemorial is, what happens to us, where do we go once our body is dissolved. Various theories have been proposed by systems after systems, the dualists speak of threefold eschatology, where when a man dies he goes to heaven or goes to the sphere of the wicked persons to roam as ghosts and demons or falls back to earth only to be reborn as animals, here the non-dualists or Advaitists ask, how can one come and go, and to what place, especially when one is infinite? The very question of birth and death concerning this soul turns out to be nonsensical, as the soul or the self of the man is omnipresent and everywhere and the talks of birth and death, of havens and higher, havens, are a childish dream and vanishes the moment one realizes the truth.

Western Admirers of Ramakrishna and His Disciples Gopal Stavig 2010-10-02

This classic work of research published by Advaita Ashrama, a Publication centre of Ramakrishna Math, Belur Math, India, brings under a single volume around 600 persons inspired by the ideals of Sri Ramakrishna and his disciples. Notable personalities whose connection with the Vedanta Movement in the West is delineated include Aldous Huxley, Arnold Toynbee, Albert Einstein, Ralph Waldo Emerson, Carl Jung, Mark Twain, J D Salinger and Joseph Campbell among others. For the scholars it is a mine of information presented precisely, and for the devotees of Ramakrishna, it is an inspiring account of western admiration for Ramakrishna and his disciples. (Pdf version).

India's Gracious Gift to Mankind Crystaqueous 2010-02 INDIA'S GRACIOUS GIFT TO MANKIND IS: 1) A book about mortality being clothed upon with Blissful Immortality in the Here and Now. 2) A book which succinctly renders the concepts of birth, ageing, disease, suffering, and death as though they NEVER were. 3) A book which is designed to strip the swaddling clothes of delusion from the entire human race. 4) The Crest Of The Wave that ushers in in all Its Glorious Fullness, the Truth regarding Transcended God Consciousness and Body Ascension which sweeps the earth clean of mortal or death consciousness in a single generation. 5) The revelation that Man erases his every limitation through His True Divine Self completely arisen. 6) A book which defines the other delusion called Self-realization. 7) A book revealing the True Nature of The Greater Works showing in no uncertain terms, that the Ascended Master identifies Him or Herself alone with and as the Reality of Absolute Perfection and therefore does not in any instance, deal with delusion. 8) A Prophetic View of America and the world beyond from the significant viewpoints of The Ascended Masters of the Far

Living with My Other World Indirā Ānanda 2009

Swami Vivekananda P. R. Bhuyan 2003 The Book Is A Comprehensive
Account Of Swami Vivekananda S Nationalism That Went A Long Way In
Proliferating National Energy Against The British Imperialism In India In
Particular And The Western Imperialism In Other Parts Of The Globe In
General. History Witnessed The Beginning Of The Great End Of Century-
Long Hibernation Of The Indian Masses Under The Foreign
Domination. Humanism And Universalism, The Two Cardinal Features Of
Indian Spiritual Culture, Are The Bedrock Upon Which His Nationalism Is
Based. Hence, The Book Highlights His Message For The Promotion Of
International Unity And Integrity Through Religion And Spiritualism To
Achieve The Grand Ideal Of Universal Brotherhood And Goodwill To Ensure
Peaceful Co-Existence To Avert Wars. His Nationalism Also Seeks To Project
India As A Stage For The Whole World And Fervently Calls Upon His
Compatriots To Play The Traditional Role Of A Spiritual Guide What India
Calls Her Spiritual Mission In All Ages Of History. Man-Making And
Character-Building Are The Two Vital Aspects Of Swami Vivekananda S
Nationalism, The Book Vigorously Spotlights Upon, Keeping In View The
Present Scenario Of The Depletion Of The Ethical Values And The Erosion Of
The Social Sanctity Leading To The Deterioration In The Quality Of Life Of
Man In India And Abroad. A Sincere Adherence To The Nationalism Of
Swami Vivekananda Is Sure To Usher In A New Era Of Efflorent
Renaissance And Resurgence Leading The Whole Mankind Along The Path
Of Supreme Peace And Progress Towards The Divinity In The Long Run.
Jnana-Yoga Vivekānanda (Svāmī) 2006

Swami Vivekananda Narasingha Prosad Sil 1997 For the first time since
Swami Vivekananda's famous address to the World's Parliament of Religions
in Chicago on 11 September 1893, this provocative study seeks to rescue the
historical Vivekananda from the celebrated Swamiji of the legend and
hagiography. Using a variety of primary and contemporary secondary
sources, including eyewitness accounts in English as well as Bengali, Professor
Narasingha P. Sil examines Vivekananda's early life and education, his

meeting and relationship with his future mentor Sri Ramakrishna
Paramahansa, and the circumstances leading to his embracing monastic life.
Analyzing Vivekananda's numerous sermons, speeches, conversations, and
letters, Sil exposes the Swami's deliberate distortion of facts and purposive
misinformation on, and misleading and tendentious interpretation of, aspects of
Hindu society and culture. The book also takes a hard look at his universally
acknowledged reputation as a hypercosmological renouncer who championed
the causes of the poor and the downtrodden and thus exemplified the
doctrines of socialism at their finest. Sil is the first scholar to critically examine
Vivekananda's attitude toward women in general and to probe into his
experience with Margaret Noble (Sister Nivedita) in particular, and he is the
first author to provide a detailed analysis of Vivekananda's popularity as a
preacher and lecturer.

Journey to Yes George Daniel Harvey 2013-05-21 This book is about opening
up possibilities to living a deeper more dimensional self empowered life....at its
core is love, and all it may ask of us in service to ourselves and others to
include all life in its diversity. *Journey To Yes / And Other Spirited Notions.*
- Speaks to the value of engaging life more mindfully, to live life more
authentically, more fearlessly, more compassionately in humility-guided in
the wisdom of heart centered love. To accept responsibility for outcome in our
life and for our salvation. To discover our own path to a more
peaceful, joyful, fulfilling life lived more consciously in gratitude.

Vedanta Swami Vivekananda 1990 Vedanta: Voice of Freedom is culled from
Vivekananda's collected works. This book presents in a clear and concise form
the spiritual wisdom of India as it has evolved over five thousand years.
1993

Karma-Yoga und Bhakti-Yoga Vivekānanda (Svāmī) 1937

Swami Vivekananda

2022-02-21 Swami Vivekananda was an Indian Hindu monk, a chief disciple of
the 19th-century Indian mystic Ramakrishna. He was a key figure in the
introduction of the Indian philosophies of Vedanta and Yoga to the Western
world and is credited with raising interfaith awareness. Swamiji has been an
awe-inspiring persona for many people and this book continues the legacy of
his ideas and philosophies. This book is a one-of-a-kind condensed version of
Swamiji's life and principles, For every reader; this compilation would mean
an enriching and learning experience. May his quotes inspire you to believe
in yourself so that you may live your dreams
